## EXPERIENCE

### Owner + Photographer

Emory Photography

2004 - Present

- As a full-time small business owner and photographer for the past 19 years, I have worked with thousands of clients to create stunning visual content for their personal and professional needs. My experience includes concerts, weddings, events, family, commercial, and more.
- I am relentless in my pursuit of creativity, emotion, and experience to bring project vision to life.
- It is with great pride that I say the work at [www.emoryphotography.com](http://www.emoryphotography.com) speaks for itself. There you will see a vast portfolio bursting with versatility and life.
- At [www.instagram.com/emoryphotography](http://www.instagram.com/emoryphotography) showcases the latest and greatest of this ever growing collection of portraits that have made my career so satisfying. Photographs of well known artists and musicians are seen within these profile squares.

### Owner + Designer

Emory Design Co.

2018 - Present

- Emory Design was born out of natural skill development in the above roles as Owner + Photographer at Emory Photography. In this newer venture, I was developing and executing visual marketing strategies to promote others products and services to a diverse audience. I collaborated with cross-functional teams, as well as small business owners to create engaging content for online media and print.
